

CSIC Immigration Consultant Examination Prep Program

Program Overview

The prep program is offered to prepare graduates of accredited Canadian Society of Immigration Consultants (CSIC) educational programs for the CSIC full membership examination. Program strategies and activities included are class presentations with intensive interventional discussions with students, and a simulated CSIC exam exercise. These approaches will allow students to review and to recall knowledge learned earlier at the full educational program in a collaborative environment.

Program Benefits

Comprehensive coverage of the following topics:

- Principles of the Canadian Immigration Act & Regulations
- Temporary and Permanent Immigration categories
- Refugee classes
- Hearing and Appeal processes
- The role of Citizenship and Immigration Canada (CIC)
- Ethical conduct and Professionalism
- Business Management
- Overview of the structure of the CSIC full membership exam
- Recommendations in tackling the CSIC examination in an effective & efficient manner

Instructor

Francis Ng has over 30 years of global commercial and institutional experience in strategic business development, project management, investments and financing in several countries including Germany, UK, Austria, Sweden, Hong Long, China, USA and Canada.
